Missions

Least Reached People Group: The Uyghur - Most of the 12 million Uyghurs live in the Xinjiang Uyghur Autonomous Region of NW China, with a combined total of at least 300,000 in Uzbekistan, Kazakhstan, and Kyrgyzstan. Of this population, 0.01% are Christians, and the majority follow Islam. These people have been subject to great persecution and hardship. Pray that Jesus would reveal Himself to many Uyghur people amid their suffering.

Copies of letters from our sponsored missionaries are available by the Mission display in the foyer.
